

07-28-1985-p.4

Following DWP's
visit here on 7/28/85, he gave me this paper.

Robert - Esther Singer, another subscription

San Juan Capistrano - I will put it in our 'hope' chest

That (those) rug (s) from Dante Avenue

to "Community Concerts" -
HAB

we looked at pictures that
I have. DWP admired
them one (which is a
hand painted photograph)
which came from Dante
Avenue — and so I
gave it to him.

the small
oriental from
14 Dante Ave.
is under the
larger rug from
the Homestead.

From the Circle Flea Market, we went to the
Golf Course, where DWP/HAB changed into
swimming gear & we came here and "played
in Tinker Creek" for about two hours. I took
down some creek toys: soap bubbles & a
wand; balloon; a chunk of a 2"x4" for a
boat to float on "Lake Brown"; soap; etc.
We had a grand time blowing bubbles.
Naturally, DWP+SRP took photographs.
I picked a large bouquet of Bee-Balm;
we came up & I made tea & served some of
my home-made Cheese on Kirby Cucumber
slices; DWP+HAB sat in the "drawing room"
and made "life plan"; SRP was at her
desk in the cube. At about 9:30 P.M., I was
summoned out to the drawing room & they
announced their forthcoming marriage.

07-29-1985-p.1

"une ^{longue} journée" plus on main balzacienne; after the excitement
of last night's engagement announcement and the
action-packed week-end, I was in no hurry to get up
to work — do plus & luxuriated a-bed in my new
loft bed/perch/recluse and enjoyed the fact that
I was calling the shots for the day. I met John
Klimkewicz, as scheduled, at 11 A.M. in 301 City Hall
& delivered unto him a great many acquisitions
noted that I had in my possession. He has designed
the forms that are shown hereafter on page 10 and
will record/catalogue "the Collection". We worked
very energetically for two hours, sorting through
acquisitions that have to be catalogued. I will
have 200 copies of each form run off this afternoon
in Scranton when I pick up the CCPD/GR
Newsletter at PDQ.

at 1 P.M., Jk returned to Simpson & SRP went to
the BBC, where he designed the new CHS+M, due.
stationery (see hereafter, page 11) and then ^{drove} down
to Scranton and picked up 250 copies of the
premier issue of Clinton Center Pioneer Day
and Grassroots Reunion Newsletter, dated
August 25, 1985. Won't the Clintonians &
the Grassroots be pleased/impressed
when they receive their Newsletter in the
mail! I am very pleased with the Newsletter.
What a service DWP/SRP are performing for the
history of Clinton Township. Sam Lou
Carter & Alice Lund ^{+ EAG} & DWP & SRP (in their
generation), precious little Clinton history
would be available/transmitted to
ceux qui viennent après nous.
